

The Ultimate Prep Course

with Jason Smithson

Date 7th - 8th June 2024

Venue City Hotel, Derry

Price £1245 *Early bird £1095 until end of March*

Course Summary

Want to take your indirect restorative work to a whole new level?

Join us from the 7th-8th June 2024 for the second cohort of a truly unique 2 day event - The Ultimate Prep Course with Jason Smithson.

This bespoke and fully-immersive event will focus on all aspects of indirect restorations and will be 100% hands on.

Delegates will have access to all the theory webinars AND demo webinars allowing the 2 days to be a deep dive into the world of indirect all-ceramic restorations.

The event will qualify for over 30 hours vCPD.

Each delegate will receive access to course webinars, which are included in the price.

An early bird rate of £1095 is available until the end of February. £1245 thereafter.

The Hands-On Includes

- Multiple incisor veneer preps and aesthetic provisionals.
- Onlay preps on a molar and premolar with provisionals.
- Full ceramic preps on a canine and incisor for zirconia and emax.
